Mission "Hayakawa seeks to delight customers with High quality, Low cost and Best in delivery"

Vision "Hayakawa aims to achieve long term stable growth in accord with global environment, economy and local communities it serves"

Why Hayakawa?

All our professional Native Japanese and Indian trainers have multiple years of experience in teaching Japanese to Indian students at our school in India.

We focus on Reading, Writing/Typing, Listening & Speaking

In addition to our hyper intensive short term regular courses, we have a unique **Hayakawa** Hybrid technology which includes conventional face to face class room teaching by professional native Japanese and Indian teachers, original printed materials, multimedia learning CDs, internet based offline learning, Live streaming, HD videos, web based self-assessment, social networking etc.

We conduct classes for Comprehensive Japanese Test (C-JAT).

C-JAT tests your Reading, Typing, Listening & Speaking Skills.

C-JAT is accepted as evidence of Japanese language proficiency by many organisations, worldwide.
